#### Printing your badge

When printing your e-badge, make sure that the quality is high enough for the included codes to be read properly.

If the codes are not printed clearly, you may have trouble using your badge at the entrance controls. If this occurs, you must go to the Visitor Registration desks and ask for a duplicate (required to show Identification document).

To ensure the badge fits into the badge holder we advise you to check the default settings of your printer and to adjust them if necessary to print in actual size (e.g. page scaling: none).
